

## Emmanuel's Confirmation Website

We have torn down the old Confirmation websites and blogs in order to build the foundations of a new and better site (when I say "We" I mean myself and a youth volunteer). We will notify the Confirmation Class, their mentors and parents once the site is up again. We will also announce it in the bulletin and the next News Notes. Until then, please check out the information found on [Emmanuel's website](#)

PAX,

Pastor Robert Lewis +
